

**CERTIFICATE OF THE FACTORY PRODUCTION CONTROL**  
**No. SRV/018/2020**

**Product:** Grasimat artificial aggregate - granular ferro silico manganese slag

**Producer:** OFZ, a. s.  
Široká 381, 027 41 Oravský Podzámok  
Slovak Republic

**Manufacturing plant:** OFZ, a. s.  
Široká 381, 027 41 Oravský Podzámok  
Slovak Republic

**Application of product:**

Grasimat artificial aggregate – granulated ferro silico manganese slag is the by-product of ferro silico manganese (FeSiMn) production in electric arc furnace (EAF), which arises after fast cooling in cold water stream, whereby generating fine granules of artificial stone in water bath.

Grasimat artificial aggregate is used for packing water-pipes, sewer lines and other plastic pipelines; as spreadings for winter road maintenance; for recultivation and ground completion; for clinker production in cement industry and for mechanical sand surfacing as well.

Products shall comply with the declared characteristics and with all of the technical performances listed in the Technical Data Sheet No. TL-006-SK (effective from February 24, 2025) and in the Product Safety Data Sheet No. KBU-006-SK (effective from March 10, 2025).

Products shall comply with the requirements of the Regulation (EC) No. 1907/2006 of the European Parliament and of the Council as amended. Hygiene and health aspects, means of storage and transport are all described in the Technical Data Sheet No. TL-006-SK and in the Product Safety Data Sheet No. KBU-006-SK.

Inspection Body performed the initial inspection of the factory production control and performs periodical inspections according to procedures of the Inspection Body. This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the document TL-006-SK and in the Product Safety Data Sheet No. KBU-006-SK are applied and that

**the factory production control is assessed to be in conformity with the applicable requirements.**

This certificate was first issued on 20. 01. 2020 under the Report of initial inspection.

The validity of the certificate: unlimited.

This certificate will remain valid as long as neither declared essential characteristics of product nor the manufacturing conditions in the plant are modified significantly, and unless suspended or withdrawn by the Inspection Body.

The validity of the certificate may be confirmed by contacting e-mail address: [qualiform@qualiform.sk](mailto:qualiform@qualiform.sk).

Notice: Continuous surveillances of factory production control as the part of certification, which confirm the validity of this certificate, are performed at least once in 12 months.

In Bratislava, 24. 03. 2025

  
Ing. Jana Hozzová  
Head of the Inspection Body
