

Certificate of conformity of performance

1481 – CPR – 0311

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Silica fume for concrete
MICROSILICA – SIOXID class 1
MICROSILICA – SIOXID class 2

characterized as type II addition for concrete, mortar and grout.

Silica fume MICROSILICA - SIOXID class 1 contains ≥ 85 % of SiO_2 by mass, silica fume MICROSILICA - SIOXID class 2 contains > 80 % of SiO_2 by mass.

Silica fume MICROSILICA – SIOXID is supplied as a densified material and, by demand, in its original undensified form.

Silica fume MICROSILICA – SIOXID is used according to EN 13263-1 + A1: 2009 for production of concrete, mortar, grout and other mixes for construction and structure elements. Silica fume may be used for cement production as main component (D).

Products shall be stored under conditions defined in the technical specification.

Placed on the market under the name or trade mark of

OFZ, a. s.
Široká 381, 027 41 Oravský Podzámok, Slovak Republic

and produced in the manufacturing plant

OFZ, a. s.
Široká 381, 027 41 Oravský Podzámok, Slovak Republic

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 13263-1: 2005 + A1: 2009

under system 1+ for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 20. 01. 2020 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified production certification body.

The validity of the certificate may be confirmed by contacting e-mail address: qualiform@qualiform.sk.

Bratislava, 20. 01. 2020
